

## **TCNJ Summer Community Leaders Program**

The Center for Community Engagement and Research (CELR) in collaboration with the Career Center invite current TCNJ students to participate in the [Summer Community Leaders \(SCL\)](#) program. The goal is to enhance diversity and expand the role of student leaders in the non-profit sector.

This program provides each student a \$3,000 stipend plus a \$1,289 AmeriCorps Segal Education Award to complete a 10-week (300 hour total, 30 hours/per week) service placement at Trenton based non-profits. Students will also participate in weekly trainings and develop interdisciplinary solutions to community problems and leadership skills.

The application consists of two components: an [AmeriCorps application](#) and a cover letter and resume submitted through [Handshake](#). **Deadline is March 8th.**
