HIS400-Level	Elective or Outstanding College Core
Philosophy Elective (300-400 level)	Elective
Elective	Elective

Listed above is an outline for completing a double major in Philosophy and History. This is only a suggested order for taking the courses and students are not committed to taking the courses in this particular order. Three courses may double-count between the two majors: PHL205 and two 300-level electives (one History, one Philosophy). AP test scores and/or transfer credit may allow for course waivers for some College Core requirements.
