Sociology Elective	Elective or Outstanding College Core
Sociology Elective	Elective
Elective	Elective

Listed above is an outline for completing a double major in Sociology and History. This is only a suggested order for taking the courses and students are not committed to taking the courses in this particular order. Three courses may double-count between the two majors: SOC 101 and two 300-level electives (one History, one Sociology/Anthropology). AP test scores and/or transfer credit may allow for course waivers for some College Core requirements.
